Capacity of Ice and Power Plants Will Be Increased Immediately

**OVER \$237,000
WILL BE SPENT
ON TWO PLANTS**

Work of Remodeling Old Electric and Ice Plant Near Depot to Start Thursday and New \$125,000 Ice Plant Will Be Erected Here.

Plans of the Vernon Electric and Ice Company for the immediate erection of a new ice plant at Cumberland and Olive Streets and for the remodeling and enlarging of the capacity of their electric plant near the Fort Worth & Denver City railroad were announced Wednesday morning by R. H. Smith, manager of the concern. The new plant, remodeling work, and expensive equipment, will cost approximately \$237,000, Mr. Smith declared.

Showing faith in Vernon, the company has launched a gigantic program to provide for future developments and future needs here. Work will start Thursday morning on the remodeling of the old plant of the concern. A new 57 horse power, McInish-Seymour engine with a 400 kilowatt generator will be installed in the remodeled building. The new engine will arrive here within 45 days, according to the contract. After the old plant is torn down, one of the most modern electric power plants in Texas will be erected. The remodeling of the old plant and the installation of the new machinery will be completed before March 1, 1926, at a cost of approximately \$112,000.

Erection of the new \$125,000 ice plant at the corner of Cumberland and Olive streets, adjoining the present No. 2 plant of the company will start within the next two weeks, Mr. Smith stated. The capacity of the ice plant will be increased from 15 to 65 tons daily and the old plant near the Fort Worth & Denver railroad will produce 20 tons daily after being remodeled. The new plant will give the Vernon Electric and Ice company a capacity for the manufacturing of 75 tons of ice each day.

The future needs of Vernon were thoroughly investigated by the company before the approximate quarter million dollar expansion program was announced. All of the machinery for the new electric ice plant and new electric power plant have been purchased and will be delivered here in record time.

John M. Mariott, of San Antonio, is the company's architect. He has perfected plans and blue prints for the work and contracts for the new plant will be awarded within a few days. The new plant at Cumberland and Olive streets will be a one-story brick building 93 by 110 feet with cold storage facilities and all of the up-to-date methods and improvements of modern ice plants. The present plant at the location will be converted into a cold storage room.

**ARMISTICE DAY OBSERVED
IN PARIS BY SILENCE**

Paris, Nov. 11—(AP)—All Paris stood silent for one minute at 11 o'clock this morning in commemoration of the Armistice and in remembrance of those who fell in the world war. Even the unruly lobbies of the Chamber of Deputies were noiseless, as well as the stores and the stock exchange.

The city began decorating for the event last night and was awakened early this morning by street bands, playing the same martial airs to which French troops marched away in August 1914.

**LIONS WILL WITNESS
ELECTRA-WICHITA GAME**

Coach Baggett and his entire squad left Wednesday noon for Electra to witness the Electra-Wichita Falls football game. The Lions will meet the winner of the Coyote-Tiger clash next Monday in a game to decide the championship of this end of the district.

Baggett sent his squad through a stiff workout Wednesday morning before leaving for the Electra game. Several of the injured men were back in the line-up, and the squad made a good showing.

Turkish Reserves Ready.

Cario, Egypt, Nov. 11—(AP)—Turkish reserves in the Baghdad railroad in northern Syria have received orders from Ankara to hold themselves in readiness for a call to the colors.

**ATLANTIC GETS
PROMISING PAY
AT NEW DEPTH
IN SIGLER AREA**

After passing up a promising pay at 2065 feet, the Atlantic Oil and Refining company's No. 2 Sigler-Wagoner has several hundred feet of oil in the hole, coming from a sand encountered at 2453 feet. No test has been made but operators are of the opinion that the well will prove a good strike.

The hole is located in section 51, block 2, about three-quarters of a mile northwest of the old Sigler pool, and will probably extend the field that distance.

Oil followed the batter out of the hole, and considerable gas pressure was reported. A control head was sent to the lease Tuesday in the event the well started flowing, which oil operators expect it to do when cleaned out.

This is the first well to be brought in recently in the old Sigler area, where the first wells were drilled some six years ago. The old Sigler wells in this section were small producers from the 2000 foot pay. The Atlantic No. 1 well was a very small producer located just north of the original Sigler producer. The No. 2 picked up what was thought to be the same sand from which the other were producing at 2065 feet, but it was decided to go deeper in hope of picking up a stronger pay.

The sand picked up by the No. 2 Sigler-Wagoner, although considerable deeper than what is usually called the 2400-foot sand is expected to correlate with the 2400-foot stuff, according to operators.

**Funeral Services
For Joe Massie
To Be Held Here**

The body of Joe S. Massie, 70, who died at his home in Roswell, N. Mex., at 8 o'clock Monday night, will arrive here from the Denver at 11:45 o'clock Thursday morning and will be conducted directly to East View cemetery, where services will be conducted at the grave by Dr. E. L. Moore, pastor of the Presbyterian church. Services were held at the home in Roswell, Wednesday morning.

Joe S. Massie was born at Houston, February 14, 1855 and was a son of Dr. J. C. Massie, a prominent physician of that part of Texas. His youth was spent on a large plantation near Houston. He was married in Houston to Miss Mamie Edmondson, who died there January 24, 1888. To this union five children were born: Frank L. Massie of Vernon, Mrs. Mamie Ross of Marion, Ind., Miss Mattie Massie of Washington, D. C., Miss Grace Massie of Roswell and Mrs. Gladys Eaton of Los Angeles, Calif. who survive him and who will attend the funeral here.

In 1902, Mr. Massie and his family moved to Vernon, where they made their home for several years. He engaged in the insurance and abstract business. Here the second Mrs. Massie died.

Several years ago he moved to Roswell, where he has made his home since that time. He served two terms as district clerk at Roswell. He was married there to Mrs. Mary Alice Greene, of Roswell, who survived him. He was a member of the Episcopal church.

Mr. Massie was a man, who had the happy faculty of making friends and holding them through the years. He was interested in sports of all kinds and during his sojourn in Vernon was official umpire of all baseball games. His special hobby was hunting and he was a crack shot. Up until his death he took a keen interest in sports of all kinds.

His many friends recount the many things he did for them, when his friendship was put to the test. "The world is better for Joe Massie having lived in it," one said today.

Mr. Massie was a man, who was devoted to his family. His attitude toward them was more like an older brother, than a father, for he entered into their pleasures with the spirit of youth and yet with his clear insight into life he was able to give them the advice that comes with maturity.

**LYCEUM COURSE
PLEASES CROWD**

**PIANO SOLOS OF LOWELL
PATTON FEATURE OPEN-
ING BILL.**

A splendid audience enjoyed the initial number of the Dixie Lyceum course Tuesday evening at the High school auditorium, given by Lowell Patton and his artists. Gault Patton and Ludovic Hout, musical critics, claim this to be one of the best programs ever brought to Vernon.

The three young men gave a mixed program ranging from the classical to the popular selections, and it was grouped into a musical prologue, six episodes and an epilogue.

The piano solos of Lowell Patton were a feature of special merit and the character songs of Lowell Patton and Ludovic Hout were very pleasing.

The Pattons are from Portland, Oregon and Mr. Hout was born in France, his home is in Montreal, Canada and his parents live in New York. Ticket selling continued up until the curtain was raised for the first number and the committee, who had charge of the course are pleased with the hearty response of the citizenship of Vernon.

**UNION THANKSGIVING
SERVICE WILL BE HELD**

Plans are being made now by the Ministerial Alliance for a union service at one of the local churches, Thanksgiving. Last year, the service was held in the Presbyterian church with Dr. E. F. Lyon, Baptist pastor, in the pulpit. This year, it will probably be held in the Central Christian church and Dr. E. L. Moore, pastor of the Presbyterian church will preach the sermon. The program will be arranged when the Rev. C. A. Bickley, Methodist pastor, returns from conference at Canyon.

**BOOTLEGGING IS UNKNOWN
AT BROWNSVILLE SAYS WHITE**

Fort Worth, Nov. 11—Bootlegging is unknown and smuggling is at a low ebb in Brownsville, said Major H. H. White, prohibition administrator for Texas and Oklahoma, who has returned from an inspection trip to the lower Rio Grande valley.

A few Brownsville citizens and a large number of tourists in that city take advantage of the cheap liquors offered on the Mexican side, but little, if any of it is brought to the American side, he declared.

**City Commission
Grants Water and
Sewer Extensions**

Important extensions of municipal conveniences were authorized at the regular meeting of the city commission Tuesday afternoon. Block five of the Texas Town Site Addition, and vicinity, will profit most by the extensions of the city water and sewer lines.

According to the resolutions passed by the commission, 1450 feet of two-inch water line and 870 feet of sewer line will be installed in the addition. The water line will be extended from a point on Wheeler street west through the center of block five to Nabers street, thence south to Mansard street. The sewer line is to extend from the southwest corner of block eleven to the southeast corner of block five, and thence south to Wheeler street.

The commission also agreed to allow M. G. Neathery to connect a 2-inch water line to the present 2-inch line on South Main for the purpose of furnishing water to the land now being developed as the Neathery Addition.

**FIVE ESCAPE INJURY
WHEN CAR TURNS OVER**

Five people miraculously escaped serious injury about 7 o'clock Tuesday evening when the large six-cylinder automobile in which they were riding swerved from the pavement and turned over in the ditch about four miles east of Vernon on the Colorado-to-Gulf highway.

Although members of the party worked for more than twenty minutes to rescue one of the women from under the car, none of the aquiline car was injured. The car, a seven-passenger Studebaker touring was occupied by two men and three women tourists. The top and windshield of the machine were destroyed but otherwise the car was not damaged. It was brought to a local garage Tuesday night. The driver of the car stated that he swerved the machine to the side of the road to avoid striking a car parked at the side of the pavement, and the large car plunged into the ditch.

St. Louis, Nov. 11—(AP)—George Raby, "dean of St. Louis architects" died last night of infirmities of advanced age. He celebrated his 96th birthday October 19.

He was one of the architects who designed the Canadian House of parliament at Ottawa.

**CITY OBSERVES
ARMISTICE DAY**

**BUSINESS HOUSES ARE CLOS-
ED AND MANY GO TO
ELECTRA.**

As hostilities ceased on the battle fields of France on November 11, seven years ago, business ceased in Vernon Wednesday. Practically all downtown business houses remained closed throughout the day.

In observing Armistice Day Wednesday, Vernon was quieter than on any Armistice Day since the closing of the World War seven years ago. City schools and all public buildings closed. With no program of any sort, planned for the day, hundreds went to Electra to see the Coyotes and Tigers clash for the right to meet Vernon next Monday.

More or less elaborate programs have been planned for neighboring cities, but Vernon chose to observe the day in a quiet way, with no parade or church services. A few fireworks set off by youngsters constituted the city's outward show of patriotism.

Although a number of schools of Wilbarger county are not giving the entire day as a holiday, most of them are staging some sort of program in commemoration of the day, according to the County Superintendent L. A. Hollar.

**GREAT BRITAIN HONORS
MEN WHO FELL IN WAR**

London, Nov. 11—(AP)—Great Britain observed Armistice Day today with greater solemnity and on a more extensive scale than at any previous time since the cessation of hostilities seven years ago.

The principal services in memory of those who fell in the great war were presented at the Cenotaph, where King George and his three sons, at the minute before 11 o'clock laid wreaths in the presence of Queen Mary, the Queen of Spain and other royal personages and prominent people.

Premier Baldwin and the members of his government, former Premiers Lloyd George and Ramsay MacDonald, the high commissioners of the colonies, and detachments of the naval military and air forces formed a hollow square about the tomb, outside of which the thoroughfare was jammed with representatives of the general public.

**TAXPAYERS TO
GET SAVING OF
\$308,000,000
BY SCHEDULE**

Washington, Nov. 11—(AP)—Revised tax schedules that would mean a saving of at least \$308,000,000 annually to federal tax payers will be incorporated in the tax reduction bill that is to be presented to the house by its ways and means committee on the opening day of congress.

Most of the excise and occupational levies would be wiped from the books by the committee's action yesterday in voting a cut of about \$114,000,000 in these taxes.

Reduction in the income rates through cuts in the normal and surtax schedules, increased personal exemptions, and increased allowance for the "earned income" credit account for \$193,584,546 of the total slash in federal levies to be proposed.

Another \$1,000,000 will be saved tax payers by repeal of the gift tax. Approving the new surtax schedule with a maximum of 20 per cent instead of 40 per cent to apply on incomes in excess of \$100,000, the committee decided to make reductions in these rates effective only on brackets between \$44,000 and \$100,000.

A proposal to allow the \$400 deduction for children between 18 and 21 years of age, who are in school was rescinded by the committee upon complaint of the treasury that it would be impossible to administer. The age limit now is 18 years in all cases.

These are the new surtax rates as approved by the committee:

\$2,800 upon net incomes of \$44,000 and 15 per cent upon the income between \$44,000 and \$50,000.
\$3,400 upon net incomes of \$50,000 and 16 per cent in excess up to \$60,000.
\$5,500 upon net incomes of \$60,000 and 17 per cent on excess up to \$70,000.
\$6,700 upon net incomes of \$70,000 and 18 per cent on excess up to \$80,000.
\$8,500 upon net incomes of \$80,000 and 19 per cent on excess up to \$100,000.
\$12,300 upon net incomes of \$100,000 and 20 per cent on excess over that amount.

**Father and Four
Children Lose
Lives in Blaze**

East Orange, N. J., Nov. 11—(AP)—Joseph DiStansano and his four children lost their lives in a fire which destroyed a six family dwelling early today. The mother escaped by jumping from a third-story window. Her youngest child, clasped in her arms, was killed. The origin of the fire is not known.

**CAMPAIGN LAUNCHED TO
BUILD NAYLOR'S HOTEL**

San Angelo, Nov. 11—(AP)—Within two hours Tuesday a committee subscribed almost one-half the \$25,000 bonus asked by E. A. Naylor, of Vernon, for the immediate erection of a modern, fireproof six-story hotel of 119 rooms to replace the three-story hotel London, which burned August 29.

Mr. and Mrs. Naylor have been in San Angelo for two months making arrangements for the erection of the building. Mr. Naylor has been clearing the lots where the old hotel burned. A letter to his daughter, Miss Edna Naylor Tuesday stated that the campaign had been launched to secure the \$25,000 bonus.

**SUPERINTENDENT HOLLAR
PLANS SCHOOL FAIR**

Efforts will be made to have a school fair in Vernon next spring during the interscholastic League meeting here, according to L. A. Hollar, county school superintendent. At that time, the schools of the county will present specimens of their work in the form of drawings, placards, maps, etc.

The Vernon High school displayed similar exhibits during the last interscholastic League meet in Vernon, and the work won many favorable comments. It is the plan of Superintendent Hollar to have the school fair next spring in order that the best exhibits may be chosen and placed in the exhibit hall of the Wilbarger County Fair next fall.

Bomb Factory Discovered.

Calcutta, India, Nov. 11—(AP)—While the earl of Reading, viceroy of India, was visiting the city today for the Armistice Day celebration, the police discovered a bomb factory. Bombs were confiscated in a raid and 11 natives were arrested.

**COACH ASSERTS
LEAGUE RULING
IS NOT FAIR**

**Superintendent W. T. Loffland
Does Not Believe Interscholastic League Officials Will
Act on Protest of Plainview
Coach.**

Plainview, Tex., Nov. 11—(AP)—Plainview high school has filed a protest with the interscholastic League of Texas against permitting Vernon, Wichita Falls and Electra, which team were declared ineligible for further participation in the state running last week, to play their games over again and the winner to play Plainview for the championship of Section 1 of conference A.

Plainview feels that the rules of the League should be enforced and that this change is not fair to the local team, which has not lost a game this season, and therefore has a clear claim for the championship of the section, according to Guy Allen, coach.

Upon hearing of the protest filed with the League by Plainview, Superintendent W. T. Loffland stated that he was certain the League officials would take no action on the protest, as the grounds on which the Plainview coach bases his protest were discussed, before it was decided to give the teams in this end of the district a new start, and the executive committee agreed that the new arrangement would not be unfair to Plainview.

Roy B. Henderson, director of the League, gave this district an extension of time in order that matters here may be cleared up. Mr. Loffland states, and the championship of this district does not have to be settled before Nov. 21, according to the special arrangement.

**Perpetuate World
Peace Is Plea Of
Legion Head**

Denver, Colo., Nov. 11—(AP)—America should keep faith with its war dead and bend its efforts to a perpetuation of world peace, was the Armistice Day message of John R. McQuigg, national commander of the American Legion.

"It is seven years since the last shell burst beyond the Meuse," the message read. "Seven years since the great guns fell silent and a new era, long deferred by the thunder of war, at last felt the sweet silence of peace."

"Seven years ago men died with only the requiem of artillery fire and machine gun chatter in the belief that war had claimed its last dead. Thousands of healthy youths were maimed and hopelessly disabled in that war to end war."

"Today is Armistice Day, the seventh anniversary of their sacrifice. It is a day when the day when war who came out of that conflict unscathed should give an accounting of our efforts to keep faith with the dead and bring into reality the ideals for which they died—world peace."

"The American Legion has pledged itself to the support of a threefold peace program:

- "The immediate adherence by the United States to a permanent court of international justice.
- "The present enactment into law of the principle of the universal draft, commanding the men, money and materials of America on an equal basis of sacrifice, by which the chances of war are materially lessened.
- "The maintenance of adequate forces for internal and external defense in keeping with our dignity as a world power."

"The American Legion in the name of these who cannot speak for themselves offers this program of peace in the belief that future generations may be spared the cost in blood and treasure of a war so terrible that civilization itself might not endure."

**MEXICAN TROOPS JOIN
ARMISTICE DAY PARADE**

Washington, Nov. 11—(AP)—Authority for Mexican troops to participate in the American Legion Armistice Day exercises at Douglas, Ariz., has been telegraphed to the border military authorities on approval of Secretary Kellogg. The Mexican detachment, bearing arms but no ammunition, will come across the line at Agua Prieta.

The authority was granted on receipt of request by the Legion post in Douglas, transmitted by the governor of Arizona.

Assembly of God Church Will Have Missionary Rally

A missionary rally, in which a survey of spiritual conditions in India will be given, will be held at the Assembly of God Church, corner of Wheeler and Bismark streets, at 7:30 o'clock Wednesday night. Lectures will be given by the Misses Ethel King, of Syracuse, New York, and Jessie Barber, of Australia, who have been doing extensive mission work in India for a number of years. These workers are sent out by the General Council Missionary Board of the Assemblies of God headquarters at Springfield, Mo. They are making preparations to return to their field of labor in the early Spring, it is announced.

Miss King and Miss Barber held a four-days' missionary convention at Electra, closing at the First Methodist Church where a mass meeting was held Tuesday night. They will arrive this afternoon. From here, the missionaries are scheduled to speak in Oklahoma and Kansas points before proceeding to the east coast.

G. A. Cacic, pastor of the local Assembly of God, extends a cordial invitation to the general public to hear the missionary addresses tonight. Seats are free, but a missionary of offering will be received.

Lion Roars

There may have been days when Coach Baggett allowed the Lions to take things easy but Tuesday was not one of those days. If the Lion mentor ever works his squad longer and harder than he did that afternoon, it will be necessary to install a lighting system around the local practice field, for Baggett worked the men Tuesday afternoon until it was hardly possible to distinguish the men.

Both Parker and Lewis are being given daily workouts at the center position in an attempt to adequately replace Captain Robinson. Parker appears to be the logical candidate for the place as he has had considerably more experience than has Lewis.

Ryan was not taking part in practice Tuesday afternoon because of injuries received Monday afternoon in practice. The quarter's back was slightly wrenched, but it is thought he will be in good condition in a few days. He was out in moleskins Tuesday, and took the running exercises.

Luttrell was running the team again Tuesday afternoon. The little quarter has been seen very little on the practice field since the game with Electra, as he has been held out of the practice sessions by illness.

Crouch's knee injury received in the game with Sayre, Okla., is still noticeable during the practice sessions.

A PROGRAM FOR PEACE

BY JOHN R. McQUIGG
National Commander, the American Legion

At 11 o'clock in the morning seven years ago today the guns on the western front suddenly became silent. The greatest conflict of the ages was at an end. It seemed that the forces of death, destruction and desolation were exhausted.

COMMANDER McQUIGG

The cost in blood and treasure was staggering. The black clouds of war, receding, left behind a torn, dazed and bleeding world, but liberty and justice had triumphed, popular government was rendered more secure and modern civilization was preserved. The victory was worth the price.

The black clouds of war, receding, left behind a torn, dazed and bleeding world, but liberty and justice had triumphed, popular government was rendered more secure and modern civilization was preserved. The victory was worth the price.

America helped to bring about that victory and helped to pay that price. From Flanders to the Vosges thousands of Americans died with no other requiem than the crash of artillery, the chatter of machine guns. Other thousands began a period of pain and suffering that has not yet run its course.

Insofar as in us lies we owe it to those who fell on Flanders Field and elsewhere, fell in a belief that they were fighting a war to end wars, to see to it that their desires and dreams for peace come true.

The American Legion believes that, to a great extent, this can be accomplished by:

The maintenance of adequate forces for internal and external national defense;

The prompt enactment into law of the principle of the universal draft, thereby taking the profit out of war; and

The immediate adherence by the United States to a permanent court of international justice.

The American Legion, in the name of the untold suffering and sacrifice of comrades, offers this program for peace in the hope that through it the men and women who fought for peace may give some further service to America and to the world.

During cadence exercises, Crouch often has to drop out because he cannot bend the injured knee. The lanky back will be lucky to go through the game next Monday without injuring the knee again.

Norwood, giant tackle, was not in moleskins Tuesday afternoon because of illness. It begins to appear that the Lions will not be in as good condition Monday as has been expected. However, Norwood will probably be out in uniform Wednesday.

TEXAS BRIEFS

(By Associated Press)
Dallas—Injuries received from a fall of 50 feet as she stepped off a practice head here last night while with a picnic party, may prove fatal to Miss Gayle Arthurs, 20. She fell in a deep ravine, sustaining a broken collar bone and a probable fracture of the skull.

Dallas—An unidentified man, about 60 years of age, struck by an automobile here today, died soon after reaching a sanitarium.

Dallas—J. C. Ferguson, 57, is in a critical condition from a fractured skull sustained late yesterday when he was kicked by a horse.

Waco—Will Rogers, of movie fame, and Tris Speaker, manager of the Cleveland Indians, were honor guests of the American Legion on an Armistice Day program here today.

Waco—Judge Charles A. Boynton, in federal court here, charged with fine on a West youth charged with possessing a moonshine outfit. The mother of the boy became active among friends in and around the courtroom and in a few minutes had

placed the amount of the fine in the lap of the boy.

Brownwood—The grassy gridiron at Yellowjacket Park is as fast as lightning today for the annual clash of Austin and Howard Payne Colleges here this afternoon. A great crowd is here to witness the game.

Brownwood—Judge C. P. Jenkins, for many years a member of the third court of civil appeals, delivered the principal address this morning at the American Legion's celebration of Armistice Day in the Soldiers and Sailors Memorial Auditorium. About 2,000 people were present.

Brownsville—The Right Reverend W. T. Capers, D. D., bishop of the Western Texas diocese of the Episcopal Church, is here today to deliver a special message to a congregation of the church of the sect. He is accompanied by a representative of the presiding bishop in New York City.

San Angelo—A San Angelo Country Club golf tournament this morning and Coleman-San Angelo school football game, the only Armistice Day sport attractions billed here, were postponed in respect to John P. Lee, Jr., 16, star football player on the local football eleven, who died here Monday.

Lubbock—Old time cowmen of this vicinity are looking forward with interest to the trying of six local men charged with the theft of cattle, a crime once prevalent in this section, yet little heard of at the present time. Officials of the Texas Cattle-men's Association will be on hand at the trial.

San Antonio—Just as the roof of a blazing home was crashing in, three children were carried to safety yesterday by a negro named Wells. The children, Lily, aged 1, Edith, 2, and Janita, 5, are daughters of Mr. and Mrs. Victor Cheek.

San Saba—Fred Bollinger, a bachelor living alone, was mysteriously shot and probably fatally wounded while in bed at his home 17 miles north of San Saba Tuesday. He was taken to a sanitarium at Brownwood.

LEGION AND CIVIC CLUBS REFUSE TO JOIN PARADE

Boston, Nov. 11—(AP)—Rather than fraternize with pacifist and radical organizations, the American Legion and many civic associations declined to participate in today's Armistice Day parade.

The Kiwanis and Rotary clubs were among the organizations refusing to parade.

There were particular objections to the Women's International League for Peace and Freedom, the Fellowship of Reconciliation, the Fellowship of Peace and the League for Democratic Control.

These organizations have been retained, in spite of protests, because the Reverend George Lyman Paine, chairman of the Armistice Day committee, believes they are committed to world peace in principle.

The parade was sponsored by the Federation of Greater Boston Churches for Peace and Freedom, the Fellowship of Reconciliation, the Fellowship of Peace and the League for Democratic Control.

Members of the first army corps were instructed not to parade in uniform and the Greater Boston Council of Boy Scouts withheld permission for members to march.

In commenting on the peace, United States Senator Butler said the organizations had taken advantage of Armistice Day, which belongs to the veterans alone, to express views not in accord with the meaning of the day.

ARMISTICE DAY

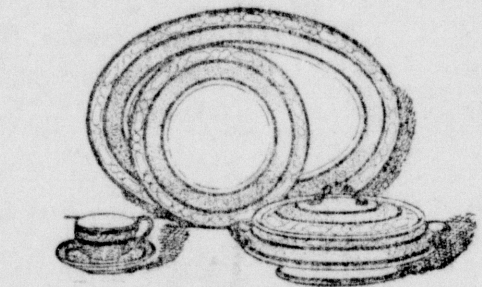

"In Flanders Field the poppies grow
Between the crosses, row on row—"

All our thoughts on Armistice Day revert to Flanders Fields—to France—to Belgium—to scores of battlefields where the flower of American manhood and the sons of her noble allies suffered, bled, triumphed gloriously to "Make the World Safe for Democracy."

Armistice Day, November 11, 1918, marked the collapse of Germany. Wherever you were, you were thrilled by the celebration that followed the news that hostilities had ceased; that the German hope of world domination had been forever shattered; that Victory at last was ours!

So long as there is a spark of gratitude; so long as there is an iota of patriotism in the warm heart of America, we shall celebrate the day. We shall honor the patriots who returned victorious. We shall revere the memory of those who made the supreme sacrifice that the world might still be safe.

HEATH & THOMPSON

JUST PLAIN HONEST

There was a time when we envied the fellow who was commonly referred to as a "shrewd" trader. But we have changed our minds. It is a compliment we no longer cherish. There has been entirely too much "shrewdness" in the used car business. We prefer to be known as just plain, HONEST.

A MESSAGE IN A CARTOON

The Record carried a cartoon the other day that had a serious message for every thoughtful citizen. The crime wave was pictured as an overfed person of unusually large proportion, sitting at a table eating, while the state, acting as waiter, was bringing on another dish of light sentences. The caption of the cartoon suggested that a change of diet might result in reducing the over weight of the eater.

Unquestionably light sentences are responsible for much of the crime we have in this country. The reason we have a great deal of crime is because the criminal is reasonably safe. That is to say, he knows that he has better than a fifty-fifty chance that he will never be called on to pay any kind of a penalty, acquitted in other words.

In addition to that he knows that if he is convicted by a jury his chance of beating the case in the higher courts or getting a pardon is good. He also knows that in the natural order of things he will not be brought to trial for some time, and right here lies one of the greatest incentives to crime. Swift justice is what criminals fear. Remote punishment is not nearly so fearful as immediate punishment.

But we should not imagine that because the cartoon pictured the state as the waiter who was serving up light sentences the average man has no concern. The state is nothing but the citizenship. We imagine that the government down at Austin or the courts are the state, but the state is the people. All branches of the government are but the creation of the people, subject to the will of the people. Some cynics are fond of saying that the people have nothing to do with the government, that special interests run the government, manage and control the courts and all that.

That is not true. But if it were true, it would be the fault of the people. Law will be enforced in Texas and in Vernon when the people want it enforced, and not before. The officers and courts cannot enforce the law unassisted. Every-day citizens make up the juries and the juries, not the judge, decide upon the guilt or innocence of persons charged with crime. Juries, not judges and lawyers, decide what penalty shall be imposed upon those found guilty of violating the law.

Some of us excuse ourselves by saying the fault is with the law, but we elect the men and women who make the law. They merely enact the laws they think the people want. Court procedure is archaic and tedious, we are told. That is largely true, but the courts and legislators will mighty soon find a way to remedy these evils if the people evidence any desire for improvement.

The state is not, therefore, some fantastic, indefinite, impersonal something. It is the people, the ordinary every-day folks. Every one who reads this is a part of the state and has a part in seeing that it is managed right.

ARMISTICE DAY

Seven years ago all America was wildly jubilant over the act that the Allies had won the war against Germany and the other Central powers. For four years prior to that time the great nations of Europe had been engaged in the throes of a death struggle. America had been a participant for about eighteen months.

All of us breathed a sigh of relief. Most of us looked forward with high hopes to the return of peace, not only in America but to the whole world. But disappointment came. America relapsed from the period of idealism induced by war conditions. Selfishness again asserted itself. Cheap politicians came out from hiding and began their work of obstruction. So far as America was concerned they succeeded. America was only one of the Allies to make separate peace.

Now, seven years after that eventful day, Europe is nearer a peace basis than at any time since the armistice that ended the world war. Despite the failure of America to enter a part, which American statesmen and diplomats of both major parties had advocated for years, the League of Nations is a going concern. It has more accomplishments for peace to its credit than hundred years of the old school diplomacy. It is the only agency that has done anything toward salvaging any of the war-wrecked nations. It has had failures, of course, but its success far outweighs and outnumbers its failures.

Some day the ideal for which our soldiers fought in 1917 and 1918 will again be the beacon to guide the ac-

tion of America. The Borahs and Lodges and Reeds and Johnsons will be remembered only as cheap politicians who delayed the fruition of an ideal. They didn't defeat it. Real progress cannot be defeated, and the movement toward world progress is peace.

Flashes of Life

Philadelphia—The Reverend Charles Urban, six feet one, and father of two children, is playing tackle on the freshman team of the University of Pennsylvania.

New York—They say Jens Livermore has been doing a lot of selling that has wiped out millions of paper profits in stocks.

New York—David and Abby Rockefeller Milten are back from Europe. They have no home and he has no job, but they are not worried.

Buffalo—The United States is heavily rich and is turning toward the path down which Rome staggered to her doom, in the view of Bishop Thirkfield, of Chautauque (Methodist Episcopal).

New York—Of all things in New York, Leona Baldwin, Vermont girl, scout who cooked a turkey for the President, likes department stores best. They're "fairlyland."

Boston—John Randolph Coolidge, oldest Harvard graduate, great grandson of Thomas Jefferson and descendant from an ancestor of the President, is dead at 96.

New York—Mrs. Valentino, back from Europe, says emphatically that she is not ready to give up her career for children like friend husband wishes. Rudy has applied for citizenship papers. So has Battling Siki.

Rome—Baron Avezzano, Ambassador to France, has become a fascist to show his indignation over the plot against Mussolini.

COLD WINTER WITH HEAVY SNOWFALL IS PREDICTED

Washington, Nov. 11.—(AP)—A serious winter for the United States with heavy snowfall and long continuing cold waves, broken by warm periods of brief duration, is predicted by Herbert J. Browne, widely known ocean meteorologist.

At abnormal conditions, he holds, is pointed to by many factors, including the record-breaking cold in many sections of the country this fall, beginning with the first snows in the northwest on September 18, four days before the official close of summer. The winter, he believes, will be followed by a late Spring.

Primarily the predictions are based upon a study of ocean surface temperatures as determined by the amount of sun's heat reaching the earth. This solar radiation for more than three years has been below normal. The present weather situation, indicates that the world is facing a condition which will interfere seriously with crops, the cold fall and winter in prospect being but fore-runners of the next two years. A serious situation developing in the Southern Hemisphere in the crop year of 1926 to 1927 and in the Northern Hemisphere in 1927 is predicted.

PLAY-TIME'S LANE.

(By The Record Staff Post)

O, Mother o' mine, could the years roll back

And take me to childhood's gate again;

Could I lift the latch and find the path

That would lead me to play-time's sunny lane?

We might find again in that lovely lane

The gift of joy that the gods bestow.

The early dreams that we dreamed, we too,

And the love that I was to young to know.

From the middle years where I stand alone

To the gate of play-time's sunny lane.

Is a long, long way; and the years between

Are full of shadows and joy and pain.

REV. BURKE CULPEPPER, D. D. Evangelist

JOHN U. ROBINSON
Director of Music, Culpepper Campaign.

Dr. Burke Culpepper, evangelist will conduct a series of meetings at the Methodist church, commencing November 22 and lasting two weeks. Services will be held twice a day. The evangelist is said to be one of the most eloquent and powerful exhorters of the day, according to those who have heard him. Hundreds have been converted under his preaching and crowds are turned away for lack of seating capacity according to accounts from other towns, where he

has been holding meetings, lately. He will preach on special subjects and to different organizations while here as well as carry on an active campaign for soul winning.

John U. Robinson, will be director of music.

Sheriff Arrests Cotton Thieves Here Wednesday

Sheriff W. Frank Edmonson Wednesday arrested two cotton thieves near here. Two men had about 900 pounds of cotton on a truck and were hiding it on a farm near Vernon when they were arrested by the officers.

The cotton thieves took the cotton from fields several miles apart. G. M. Young, north of the river, and L. J. Fitzgerald east of Vernon suffered losses.

This is the second arrest made by officers within a week in cotton theft cases. Last Saturday the Sheriff arrested a negro with 600 pounds of cotton stolen from farms near here.

GEORGE GOULD MISMANAGED FATHER'S ESTATE, REFUSE HOLD

New York, Nov. 11.—(AP)—James A. O'Gorman, referee in the Gould accounting case, today handed down an opinion holding that the late George Jay Gould had mismanaged the \$82,000,000 estate of his father, Jay Gould, railroad builder and financier.

Referee O'Gorman's decision was in connection with litigation between the Gould heirs which has lasted since 1917. The referee directed criticism at George Jay Gould's railroad investments.

JAZZ MUSIC ARRANGED FOR GERMAN CATTLE

Strasbourg, Alsace, Nov. 11.—(AP)—The placid German cow, munching her bran mash in a stable on the right bank of the Rhine, soon may listen to the jazz music of an American band in New York, Pittsburgh or Kansas City.

Rhineland dairymen have discovered that music not only soothes the cow, but induces her to increase her milk supply. Recent tests with the phonograph, it is asserted, have shown an increase of 6 1-2 per cent in the quantity of milk given by musically aided cows.

Now it is proposed to install radio loud speakers in the stables to give the cows a bit more of variety in their programs.

COTTON.

New York, Nov. 11.—(AP)—Cotton futures opened firm; December 20.00; January, 19.60; May 19.60; March 19.75; July 19.00.

Renewed buying featured opening trading in the cotton market today, encouraged by relatively steady Liverpool cables and unfavorable features in the weekly report of the weather bureau.

After opening firm at an advance of 5 to 24 points, active months sold 22 to 29 points net higher. The market appeared to be influenced by a feeling that there was so much low grade cotton in this country's crop that tenderable grades would not be in sufficient supply to cause much pressure on prices below the 20c level. January sold up to 19.81 or 114 points above the low level of bureau day.

The advance later extends to 20c for January, representing a full recovery of the yesterday losses and net advances of about 40 to 48 points. The demand tapered off somewhat at these figures and there were reactions later at midday.

POLICE SEARCH FOR SLAYER OF THREE WOMEN

Philadelphia, Nov. 11.—(AP)—Search was being made by the police today for a degenerate or maniac believed by the police to have slain three Philadelphia women by strangulation since October 15.

Mrs. Lena Weiner's body was found yesterday by her 13 year old daughter upon her return from school. Ola McCoy, a negroess was killed on October 15 and Mary Murray last Saturday. The later two were found strangled in their homes under circumstances similar to those surrounding the death of Mrs. Weiner.

Bound hand and foot with a necktie twisted around her neck and a gag in her mouth, Mrs. Weiner's body lay across a bed on the second floor of her home.

THE WIFE WHO WASN'T WANTED AT PICTORIUM

A mother who crucified herself on the cross of scandal so that her son might escape imprisonment; a wife who gave herself so generously that the world misjudged and her husband lost faith in her; an intense rushing maelstrom incidents brought about by love, deceit and relentless justice.

That is what the Pictorium Theatre promises Thursday when "The Wife Who Wasn't Wanted" will start a two-day run. This new picture is a Warner Bros. Classic of the Screen, featuring Irene Rich in the title role. A powerful cast includes Huntly Gordon, John Harron, Gayne Whitman, June Marlowe, Don Alvarado, Edward Piel, George Kuwa, Jimmie Quinn, Wilfred Lucas, Gertrude Astor, Elinor Fair and George Pierce.

The picture is an adaptation of Gertrude Wentworth James' novel of politics, society and the family of an ambitious District Attorney, who is faced with a problem of prosecuting his own son on a charge of killing a woman while seeding in an automobile.

The adaptation was made by Bess Meredith, who, after writing the script for "Ben Hur" was signed by Warner Bros. under a long term contract. This is her first scenario for the Warners and is said to be one of the best of the year. James Flood was the director.

GREECE WILL WELCOME BALKAN ARBITRATION PACT

London, Nov. 11.—Greece has officially informed the League of Nations that she could welcome a Balkan security and compulsory arbitration pact along the lines of the pact for Western Europe negotiated at Locarno.

"Greece trusts that the powers, in their anxiety to maintain peace and equal mutual respect for rights among the Balkan states, will continue in the path they have so happily entered," the telegram reads.

"Greece will support any measure leading to settlement of disputes by consolidating the peace of Europe, of which peace in the Balkans is the first and most essential condition." League circles forecast negotiations for a Balkan security pact when the recent Greco-Bulgarian conflict is entirely liquidated.

SOUTH WILL PREVENT RE-UNION SAYS BISHOP

Buffalo, N. Y., Nov. 11.—(AP)—Opposition of the South will prevent the re-union of the Methodist Episcopal Churches, North and South, it was announced today by Bishop William F. McDowell, of Washington, after the forenoon session of the board of bishops of that church which is in session here.

Uncarth Old Coffin

Dijon, France, Nov. 11.—(AP)—Ditch diggers here have unearthed a coffin which grave diggers of the 12th century buried. The coffin is handsomely made. It is of stone and is believed to be of the period of the crusades. No inscription appear on it.

Resumes Dividends.

New York, Nov. 11.—(AP)—The American Sugar Refining Company today resumed dividends at the annual rate of \$5 on its common stock when directors declared a quarterly payment of \$1.25 a share. The last previous dividend of \$1.75 was paid in July 1921.

TWO DEAD AND THREE INJURED IN HOUSTON

Houston, Nov. 11.—(AP)—Two babies are dead, three men are in a critical condition at hospitals and a boy was badly burned as the result of a series of accidents last night and today. The dead are Dorothy June, a year old daughter of Mr. and Mrs. H. L. Johnson, run over by a Galveston-Houston interurban and Raymond Henry Jolike, eight months old son of Mr. and Mrs. J. L. Jolike. The baby pulled a pan of boiling water from a table and was scalded.

Three men were critically injured today when a pressure still exploded at the Sinclair Refining Company plant at Pasadena. The most seriously hurt were Donald Crawford, 21, and Leon H. McCann, 19. They were burned about the face and body and are not expected to recover.

J. F. Fink, also an employee at a refining company was gassed from fumes when the still exploded and is in a serious condition.

Franklin, seven-year-old negro boy, is suffering from burns after he struck a match near a can of gasoline. He was enveloped in flames.

Pistol Toters Get No Mercy.

Austin, Nov. 11.—(AP)—Pistol toters were shown no mercy in the court of criminal appeals today when the convictions and fines of \$100 each of six were affirmed.

Anxiety Felt for Steamer.

Vera Cruz, Nov. 11.—(AP)—Anxiety is felt for the coastwise steamer Maria Esperanza, overdue from Frontera with passengers for this port. Storms have been experienced in the gulf since the vessel left Frontera.

Mothers

Watch for symptoms of worms in your children. These parasites are destroyers of child life. If you have reason to think your child has worms act quickly. Give the little one a dose of White's Cream Vermifuge. Worms cannot exist where this time-tried and successful remedy is used. It drives out the worms and restores the rosy hue of health to baby cheeks. Price 35c. Sold by all drug stores. adv. tf

Signs You Can Believe In

If your breath is bad and you have spells of swimming in the head, poor appetite, constipation and a general no-account feeling, it is a sign your liver is torpid. The one really dependable remedy for all disorders in the liver, stomach and bowels is Herbine. It acts powerfully on the liver, strengthens digestion, purifies the bowels and restores a fine feeling of energy, vim and cheerfulness. Price 60c. Sold by all drug stores. adv. tf

One in Ten
Neglecting a little wound, cut or abrasion of the flesh may in nine cases out of ten cause no great suffering of inconvenience, but it is the one case in ten that causes blood poisoning, lockjaw or a chronic festering sore. The cheapest safest and best course is to disinfect the wound with liquid Borozone and apply the Borozone Powder to complete the healing process. Price (liquid) 30c, 60c and \$1.20. Powder 30c and 60c. Sold by all drug stores. adv. tf.

SEND FOR US IF COMES TOMORROW BRINGING FROZEN PIPES AND SORROW.

DON'T allow frozen pipes to bring to your house any particular degree of sorrow because if that sort of an accident happens we'll be able to repair the damage in little or no time. And you won't have any occasion to kick about the price we charge you either.

**MRS. HENRIETTA BAKER
DIES TUESDAY MORNING**

Mrs. Henrietta Baker, 63, died Tuesday morning at 9:30 at the home of her son, W. H. Baker, of this city. Her death came as a surprise, as she had been ill only a few days, having been stricken last Thursday. Mrs. Baker has been a resident of Vernon for the past three years.

Interment was in Chillicothe at 3 o'clock Wednesday, with Rev. E. F. Lyon, pastor of the local Baptist church, of which Mrs. Baker was a member, in charge of the services.

Mrs. Baker is survived by two sons, W. H. Baker of Vernon, and O. O. Baker of Chillicothe; four daughters, Mrs. W. E. James of Wichita Falls, Mrs. S. P. Jackson of Meadows, Mrs. E. W. Jackson of Wichita Falls, and Mrs. Seelye of Lubbock.

**MISSISSIPPI METHODISTS
ARE AGAINST UNIFICATION**

Hattiesburg, Miss., Nov. 11—(AP)—The Mississippi Conference, Methodist Episcopal, South, today defeated the proposed amendment to the constitution, calling for unification with Northern Methodist Church, by a vote of 43 for to 170 against.

The vote of the entire 54 lay delegates was cast against the proposal.

**PRESIDENT COOLIDGE
LEADS NATION IN TRIBUTE**

Washington, Nov. 11—(AP)—Custom of previous years was largely followed in the program of official observance today of the seventh anniversary of the world war armistice.

Leading the nation in its tribute to those who fell in the struggle, President Coolidge had arranged to make a pilgrimage to Arlington National Cemetery to lay a wreath on the Unknown Soldier's tomb. Following custom inaugurated by President Harding, the presidential ceremony there was fixed at eleven o'clock, the hour of the signing of the armistice.

**HARRY POWELL WILL JOIN
LANDRETH CORPORATION**

Harry O. Powell, district sales manager of the National Supply company of Texas with headquarters at Fort Worth, will be connected with the local office of the Landreth Production Corporation after Dec. 1 according to an announcement made by officials here Wednesday morning. Powell and his family will move to Vernon about Dec. 1, it is announced.

**JUDGE OVERRULES
"NO SOUL NO CRIME" PLEA**

Littleton, Colo., Nov. 11—(AP)—The "no soul no crime" plea of counsel defending Dr. Harold E. Blazer, charged with the murder of his 34-year-old daughter, Hazel, the "child woman" found no response in Judge Samuel Johnson today, when he overruled a motion by Lewis Mowry, chief of defense counsel, asking a directed verdict of acquittal.

**TEXAS METHODIST CONFERENCE
OPENS AT JACKSBORO**

Jacksonville, Texas, Nov. 11—(AP)—Three great issues in the modern church, evolution, fundamentalism and unification, entered the Texas annual conference of the Methodist Episcopal Church, South, in the opening session here today. Bishop John M. Moore of Dallas, presiding, told the large body of preachers they could not avoid preaching evolution in the pulpit. Evolution, he declared, was progress and fundamentalism was fixity.

The strong undercurrent of feeling over unification came to the surface as soon as Bishop Moore had finished his opening address.

Four Real Estate Deals Are Closed At Chillicothe

Special to The Record: Chillicothe, November 11—Four important deals in city property involving more than \$25,000 were reported closed here this morning.
Ben Wofford purchased the Dr. J. B. Farrington homestead, located on the Colorado-Gulf highway opposite the Majestic Theater. This property has a north front of 115 feet and is 100 feet deep. It is announced that Mr. Wofford expects to erect four brick buildings on the plot. The consideration was announced as \$9000.
O. H. Dodson purchased the Mudd Filling Station and lot at a consideration of \$8000. This is also located on the Colorado-Gulf Highway, in the rear of the First National Bank.
The Farmers Lumber company pur-

chased the property of the Cameron Lumber company, and the buildings will be moved to the former's yard. It is rumored that a two-story brick hotel will occupy the ground formerly occupied by the Cameron Lumber company. The consideration was not made public on this deal.
T. P. Northam purchased fifty acres of the C. B. Kennedy farm located in the Bailey High school neighborhood, five miles south of town. He paid \$170 an acre.

SYMBOL OF TAMMANY HALL LEAVES FOR MIAMI

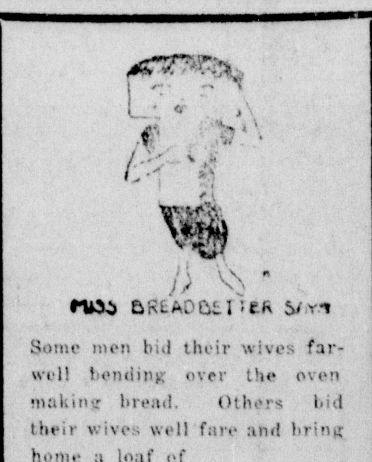

Atlanta, Ga., Nov. 11—(AP)—Leaving his hosts here a little dazed at the gulf between the Tammany Hall of tradition and the one he came to paint for them, James J. Walker, mayor-elect of New York, today turned toward Miami and the terminus of his southern tour.
Whimsically, yet earnestly, Mr. Walker attacked what he termed the popular conception of his organization—the hungry tiger of ward bossism or the corpulent embodiment of unscrupulous politics—at a banquet given in his honor last night by Major John S. Cohen, democratic national committeeman for Georgia.
"I have not the corporation look you expect," he said at the banquet. "I don't carry the big chain and I haven't the realization of avoidpoids falling over my neck. Nor can I smoke a cigar at a 45 degree angle. I haven't the Bowery twang I am sure was expected. I am sorry if I disappoint, but I am just a normal human being—the symbol of Tammany Hall."
"We want to make our contribution to national Democracy," he said. "And we are looking forward to even greater cooperation than we have heretofore enjoyed. We ask nothing but the opportunity to serve, but we demand the respect that should be ours."

W. C. T. U. To Meet.
Members of the local union of the W. C. T. U. have been notified of a regular meeting, which will be held, Thursday afternoon at 3 o'clock at the literary auditorium. At this time, reports of delegates who attended the state convention will be heard.

Jade and Pearls

We may not hear so much about earrings lately as we did a few years ago, but that is because they have become a staple in the wardrobe. Every woman wears them, and we now take them for granted. This pair shows a fascinating combination of jade and pearls, and goes to great length to be lovely.

Fire Prevention Contest Awards Are Announced

Winners of the prizes totalling \$20 in gold in the recent "Fire Prevention" theme contest conducted in the Vernon public schools, were announced Wednesday morning. The prizes were given by C. S. McCulloch, prominent local insurance agent.
Raymond Seal's theme won the first prize of \$5 offered for the best theme written by a high school student. The themes of Inez Armstrong and Claude Robinson tied for first honors in the junior high school contest and the award of \$3 was divided between the two students.
Themes written by Fern Hollar and Theta Wheeler tied for first honors in the contest at the Shive school and a prize of \$2.50 was awarded each.
Edward Luttrell won the first prize for the best theme on the subject in the contest at the Parker school and Fay Armstrong won first place at the Central school.

DEFENSE SCORES ANOTHER POINT IN MITCHELL TRIAL

Washington, Nov. 11—(AP)—After another long wrangle between counsel, the court martial trying Colonel William Mitchell today authorized the defense to proceed with its plan of bringing into evidence virtually all phases of the air controversy.
The flow of defense testimony was interrupted only long enough to permit the court to hear both sides and to retire for a brief consultation behind closed doors. Then new subpoenas were issued for thirty-six persons residing outside of Washington, all summoned by Colonel Mitchell in an effort to prove the accusations against conduct of the government air services which led to his trial.

Oklahoma Gets Electric Lights Saturday Night

Oklahoma will have electric lights Saturday night and ample power for all industries and commercial purposes, R. H. Smith, general manager of the Vernon Electric and Ice Company stated Wednesday morning.
The new high line which will serve Oklahoma and Harrold will be completed within a few days at a cost of approximately \$20,000. Mr. Smith states, Uninterrupted electric power will be furnished both of these communities by the company.
More than 100 residents of the two communities have ordered meters installed at their homes and business houses and the company is gratified over the prospect of serving the two communities. Harrold will be served with electric power and lights sometime next week, Mr. Smith, stated.

DEFINITE PROPOSAL GIVEN ITALIAN DEBT COMMISSION

Washington, Nov. 11—(AP)—After several days of preliminary discussion, a definite proposal of settlement was given the Italian war debt commission today by the American commission.
Details of the proposal were guarded closely.

Many Are Wounded.
Vienna, Nov. 11—(AP)—Demonstrations against an Italian literary society at Spalato, Jugoslavia, culminated in a shooting affray last night between the demonstrators and the police. About 100 shots were fired and dispatches say many were wounded.

GOOD HOUSEKEEPING INSTITUTE IS INTERESTED IN YOUR DRY CLEANER ALSO

Read in the November issue of Good Housekeeping Magazine? "Can it Be Dry Cleaned?"

BELOW IS A QUOTATION FROM IT.

A good dry cleaning service means a substantial saving in dollars, in lengthening the life of fabrics. Recent investigation also point to the fact that, when soiled articles are properly dry cleaned many bacteria that may be clinging to them are destroyed. Good dry cleaning may therefore rank as an important health service in any community.

"For these reasons the Institute has been making a study of the Dry Cleaning Industry, to find out what can be considered a good dry cleaning plant and what sort of co-operation from patron such a plant needs. For there are good plants and poor plants and the later we all wish to avoid.

We are a member of the National Association of Dyers & Cleaners and heartily endorse the interest shown in this warning to patronize only a reliable cleaner. Your satisfaction is assured when phoning—
